Dear Sir:

Prosecution of the above-identified patent application resulted in the amendment or cancellation of claims so that fewer than all of the currently named inventors are the actual inventors of the invention being claimed in the application. Specifically, as a result of the Examiner's restriction requirement mailed from the U.S. Patent and Trademark Office ("USPTO") on May 30, 2007, and by Applicants' subsequent amendments to the claims made in the Amendment and Response to Restriction Requirement filed with the USPTO on June 22, 2007, the invention of inventors Thomas McDonald and Annika Weber is no longer claimed in this application. Therefore, Applicants hereby petition under 37 CFR § 1.48(b) to amend the above-identified patent application to delete as inventors Thomas McDonald, having a residence at 9967 Florence Heights Blvd., Omaha, NE 68112; and Annika Weber, having a residence at 802 N. 74th St., Omaha, NE 68114.

Petitioners claim small entity and authorize the requisite fee of \$130 as required under 37 CFR § 1.17(i) to be charged to Deposit Account No. 081930. In the event any additional fees are due in conjunction with this Petition to Correct Inventorship, please debit Deposit Account No. 081930.

Respectfully submitted,

Dated: Feb 8, 2008
